2015 is the 25th anniversary of the HKIAP. To celebrate this event, the Silver Jubilee Scientific Congress will be held in the bustling city centre of Hong Kong in November. The programme commences with abstract presentations, the plenary lecture and the Congress dinner on the Friday evening. Four globally renowned scholars will give symposia on various subspecialties of histopathology on the Saturday and the Sunday. We cordially invite all local HKIAP members to participate in this scientifically exciting Congress at the best rate.

### 2015 Silver Jubilee Scientific Congress

Date: 6 – 8 November 2015

Venue: Sheraton Hong Kong Hotel & Towers

20 Nathan Road, Tsim Sha Tsui, Kowloon

Registration fee **exclusively** for HKIAP members to register on or before 30 September 2015:

Qualified pathologists/fellows \$3,200

Trainees/residents \$2,400

Admission to all lectures, the gala dinner on 6 November, lunches and tea-breaks on 7 & 8 November are included.

### Abstracts for Oral Presentation and Poster Presentation

Abstracts in all areas of anatomical pathology are welcomed. The oral presentation abstracts provide researchers the opportunity to present for 10 minutes. The poster presentation abstracts allow attendees to display a poster for two days during the Congress. The presenting authors must register for the meeting. Please send the abstract of not more than 400 words by email to the HKIAP Secretariat at

[HKIAPsecretariat@gmail.com](mailto:HKIAPsecretariat@gmail.com)

Deadline for submission is 1 September 2015. The authors will be informed of the adjudication by 16 September 2015.

## Preliminary Programme of 2015 Silver Jubilee Scientific Congress

### Jonathan Epstein, MD

The Johns Hopkins Hospital, Baltimore, MD, USA

- Diagnosis of limited adenocarcinoma of the prostate on biopsy and common mimickers
- Update on the Gleason grading system
- Diagnosis and staging of urothelial carcinoma

### Robert Odze, MD

Harvard Medical School, Boston, MA, USA

- Controversies and challenges regarding Barretts esophagus
- Indeterminate colitis: a contemporary approach to diagnostically difficult inflammatory bowel disease cases
- Hot topics in gastrointestinal pathology; case seminar

### Arie Perry, MD

University of California, San Francisco, CA, USA

- Biomarkers in neuro-oncology
- New guidelines for integrated molecular pathology diagnoses in the next WHO brain tumor scheme
- Meningioma grading and potentially useful ancillary studies
- Embryonal CNS neoplasms

### John Chan, MD

Queen Elizabeth Hospital, Hong Kong SAR

- *Plenary Lecture* - The wonderful world of colors in diagnostic surgical pathology
- 2015 WHO classification of lymphomas: implications to the practicing pathologist
- Thymic epithelial tumors: diagnostic approach based on understanding of normal microanatomy
- 2015 WHO classification of thymic tumors: refinements in classification criteria

## 2015 Histopathology Short Course

While it is still months from the Scientific Congress, we do not leave the first half of the Silver Jubilee year blank. Prof. Syed Ali from the Johns Hopkins University School of Medicine will visit us again and speak for a half-day course on various fields of cytopathology.

Date: 28 February 2015

Venue: Auditorium, 1/F, Main Clinical Block & Trauma Centre, Prince of Wales Hospital

This course is **free of charge** for HKIAP Members but **registration is required** (see page 3).

### Programme

- 13:00-14:00 Common problems in thyroid cytology and the use of Bethesda Classification
- 14:00-15:00 Cytology of salivary gland lesions
- 15:00-15:30 Tea break
- 15:30-16:30 Diagnostic issues in breast FNA
- 16:30-17:30 Urine cytology reporting and Paris Classification
