

# *The International Academy of Pathology Hong Kong Division*

## 2023 Scientific Congress Programs

### Spring Scientific Meeting

Day 1 – 15<sup>th</sup> April (Saturday)

0845 – 0900    Opening

0900 – 0945    Mari Mino-Kenudson – Lung Adenocarcinoma Variants – a Source of Headaches

0945 – 1030    Mari Mino-Kenudson – Recent Advances in Lung Neuroendocrine Neoplasm Classification

1030 – 1045    Break

1045 – 1130    Philip Ip – Uterine Pathology I: Practical Issues of Endometrial Proliferative Lesions in Small Biopsies.

1130 – 1215    Philip Ip – Uterine Pathology II: Endometrial Cancer Reporting Beyond 2020 WHO Classification.

1215 – 1330    Lunch

1330 – 1415    Mari Mino-Kenudson – Unusual Carcinomas of the Lung – Usual Suspects and New Kids on the Block

1415 – 1500    Mari Mino-Kenudson – Case Discussion – A Role of Molecular Profiling in the Diagnosis of Lung Neoplasms

1500 – 1515    Break

1515 – 1600    Physical Slide Session – Philip Ip

1600 – 1645    Physical Slide Session – Mari Mino-Kenudson

Day 2 – 16<sup>th</sup> April (Sunday)

- 0900 – 0945 Alastair Burt – Systematic Approach to Liver Biopsy Interpretation
- 0945 – 1030 Alastair Burt – Assessing Fatty Liver Disease: Where Are We Now?
- 1030 – 1045 Break
- 1045 – 1130 Alastair Burt – Update on Epithelial Liver Tumours
- 1130 – 1215 AstraZeneca Sponsored Lecture – Gary Tse – The New Population of HER2-Low in Breast Cancer and the Diagnostic Landscape
- 1215 – 1330 Lunch
- 1330 – 1415 Alastair Burt – Novel approaches: Digitisation and AI in Liver Pathology
- 1415 – 1515 Case Based Session – Alastair Burt
- 1515 – 1600 Abstract Presentation
