The HKIAP thanks our members' continuous support throughout the COVID-19 pandemic. We have been planning for resumption of physical events and in this biannual congress, we will be adopting a hybrid format with slide/case sessions, lectures and a special session "Scientific Publication - Insiders' view" inviting editors from respected journals in the field of pathology. We encourage our members to participate physically, but online virtual options will still be offered. We, with thanks, look forward to your participation. Stay healthy.
